Affordable housing & cost of living:

Providing incentives to developers who build affordable housing units so that families, seniors, and professionals can afford to live and work in Springdale.

Responsible Growth:

Ensuring that our infrastructure, like our roads, sewers, and drainage systems are able to support our population as it continues to grow.

A Transparent and Accessible City:

A city government that communicates openly, listens, and is accountable to its residents.

As the son of immigrants, I've watched my parents struggle to get by in today's economy.

I'm running for City Council because I want to be a voice for the people of Springdale who don't feel heard or seen in City Government
